

## ***S.B. girls still missing; FBI on case***

Brandi Jondell Summers, left, 5, who suffers from cystic fibrosis and her half-sister, Tiffany Wise, 2, are still missing eight days after they were kidnaped from their San Bernardino home following the murder of their mother.

Brandi answers to the name Jondell.

Police said Wednesday the FBI has entered the case.

Detectives said they are frustrated in attempts to find the abductor.

Investigators are seeking a bronze-colored compact car — possibly a Camaro — and a 30 to 35-year-old Caucasian man. He was described as having reddish-brown hair and a ruddy complexion, between 5 feet 8 inches and 5 feet 10 inches tall and weighing 140 to 160 pounds.
