**PLEADS FOR DAUGHTERS** — Claude Wise of San Bernardino holds his 8-month-old daughter Stacey, as he waits for word about his kidnaped stepdaughter Brandi Jondell Summers, 5, and his daughter Tiffany, 2. The children were kidnaped following the stabbing murder of Wise's wife last Wednesday. Brandi is stricken with cystic fibrosis and requires medication with each meal. The family has put up a \$1,000 reward for information leading to conviction of the kidnaper.
